Highlights

Simple, stylish design
This case is designed to provide protection for your device - in style.

Slim design
This case is designed to add protection with minimal bulk, so you can easily carry your device in your bag or backpack for protection on the go.

Convenient and stylish design
The convenient and stylish design fits anywhere and goes everywhere.

Three layers of protection
Three layers provide superior protection. The outer layer is made of a durable woven textile. The middle layer consists of pre-formed EVA foam with air cells to add cushioning. The inner layer of soft, lint-free microfibre protects and cleans the device's face.
